

Dear Anaheim Hills, Historic Anaheim, Prep, and SJC Families,

We are delighted to introduce our new food service provider for the 2023-24 school year!

NIBLL has been feeding the biggest names in professional sports, tech, and entertainment for nearly a decade. And now, they're bringing their healthy and delicious meals to our Fairmont Anaheim Hills, Historic Anaheim, Prep, and SJC communities!*

A culinary frontrunner in its dedication to clean and unprocessed ingredients, NIBLL crafts menus that are as nutritionally rich as they are flavorful. Their plant-forward, high-protein meals satisfy cravings while boosting energy-fueling students throughout the day. Meals are meticulously prepared by master chefs with outstanding attention to flavor.

With a rotation of 150 menus, students will have an abundance of items to choose from over the course of the school year. Each day, NIBLL will offer vegan/vegetarian options, gluten-free choices, grill/American items, Indian meals, and Asian offerings. Check out the menus here: [Anaheim Hills](#), [Historic Anaheim](#), [Prep](#), and [SJC](#).

Because one size does *not* fit all when it comes to appetite, parents can choose between different portion sizes to suit the needs of their child:

- Happy Belly: Pint-size portions - AH, HAC, SJC (2.5 oz protein + 2.5 oz carb + 2 oz veg + fruit + beverage) - \$7
- Achieve: Standard portions - AH, HAC, Prep, SJC (4 oz protein + 4 oz carb + 4 oz veg + fruit + beverage) - \$10
- Pro Cut: Large portions - Prep, SJC (7 oz protein + 8 oz carb + 6 oz veg + fruit + beverage) - \$14

NIBLL's online portal makes managing your child's lunches easy. Quickly set up a family profile, add individual child profiles detailing dietary needs and grade level, and manage them all with a single payment method. Choose your child's preferred portion size and daily meals, and easily add funds via ACH or credit card. Plus, with the auto-reload feature, you'll never run low on funds. [Click here](#) to set up your account and start ordering now. (You will need your Student ID# on hand. If you don't have it, see the instructions for accessing it at the end of this email.) If you need assistance with the account set-up or ordering process, please email fairmont@nibll.com or call 714-844-1675.

Orders must be placed by 7:00 pm the night before / no same-day orders accepted.

We're thrilled to have NIBLL on board as our new lunch program provider for Anaheim Hills, Historic Anaheim, Prep, and SJC.* We look forward to their cooking up a storm of healthy and delicious meals for our students.
